

Lesser Known Placerville Cemeteries Tour Review

On Saturday, January 25th, Mike Roberts from Save the Graves led the second annual tour of lesser known, really cool Placerville cemeteries. Thirty guests braved the cold, wet weather to visit six cemeteries: the Placerville Methodist Episcopal Church and Cemetery, Placerville Old City, Saint Patrick's, Uppertown, Pioneer Jewish Cemetery and the El Dorado County Hospital / Pest House. Articles recapping the information provided on the tour are now available (category Cemetery History). We were fortunate to have Marilyn from Gold Pan Biscuits capture much of the day on video. Check out her YouTube video [here](#).
